

DEAD LOADS OF FUN

At the Saginaw City Election to Be Held in April.

MAYOR WEADOCK TOO HONEST

And the Democrats Are All Split Up.
Rare Opportunity for the O. C. P. at the Coming Local Election.

SAGINAW, March 11.—There is going to be dead loads of fun at the municipal election to be held April 4. Ordinarily the city is good for a democratic majority so big that it almost falls backward, but recent events have created a volcano in its ranks that will soon be in active eruption. In fact, the eruption has already begun, and a Kilbenny scrap of able bodied dimensions is down on the program. George W. Weadock, the present mayor, and a straight-haired and square-toed gentleman as can be found in a day's journey, will retire. He is weary of official honor, and not even the tempting blandishments of a \$1,000 salary that will attach to the dignity of the mayoralty after the election can shake his determination to step down and out just as soon as his successor is elected and qualified.

Weadock Won't Run Again.
Mayor Weadock is one of those men who always insist in subordinating politics to principle, an idea that is not regarded with favor by a certain element in his own party. When he found that the police court was not being conducted in such a manner as good business judgment and honesty demanded, he promptly called on the clerk of that court to resign, and preferred charges against the judge of the court. He also preferred charges against the city clerk for malfeasance and misfeasance in office, and that official was convicted and removed from his position. It is this devotion to principle on the part of Mayor Weadock that has created a chasm in the party. This element of opposition, curiously enough, headed by Timothy E. Tarnay, a brother-in-law of Mayor Weadock, have criticized the latter sharply for the course he has pursued, holding that good political policy dictated that the corruption in office should have been smothered or purged on the fly, instead of being made a weapon with which the opposition could club the democratic party.

Republican Opportunity.
This condition of the local democracy offers a fine opportunity for the republicans to secure some of the local political plunder, but the old saw that "when a woman hesitates she is lost," applies to the republican party in Saginaw. It has been knocked down and dragged out and run over by the democratic truck wagon so many times that it has lost the little ambition that it once possessed. It has no effective organization and no leader like Moses of old, who manifested a disposition to step to the front and lead it out of the municipal political wilderness. If it had the resolution and energy that the situation of local affairs ought to give, it would have a strong following this spring from those in the community, who are more in love with honest and efficient municipal administration than the success of any political organization. There is some prospect, however, of galvanizing the old corpse into life and making "Rome howl," so to speak, in the coming local campaign.

STOCK EXCHANGE NOTIFIED.
The suggestion of President McLeod to hinder the sale of the bonds.

COLDWATER, March 10.—President D. B. Dennis of the Coldwater National bank, has received letters from President McLeod of the Philadelphia & Reading railroad, and others, suggesting that all stock exchanges in this country and Europe be notified of the robbery of March 2, giving the numbers of \$40,000 worth of deferred income bonds stolen. President Dennis has carried out these suggestions, notifying all stock exchanges.

Cheap Potatoes and Fine Sleighing.
ELIMIRA, March 11.—There are to be fourteen cars loaded with potatoes in Elimira. Six cars have been loaded in the last two days at fifteen cents a bushel. Some are to be shipped to St. Louis, Mo., some to Pennsylvania, and the rest are to go to other points south. J. J. Cornish of Reed City, is propounding the doctrine of the Latter Day Saints to the people of Elimira, who fill the town hall every evening with an audience of attentive and curious listeners. No one can complain of this winter in northern Michigan. We are having fine sleighing and pleasant weather.

The Doctors A., F. & S.
Do not profess to cure everything. Bear this in mind and contrast it with the blarney mendacity of the school of loud-mouthed charlatans, who in their list for money, claim powers which are more than human, and if true would approach the divine. The men who make these claims are not reliable.

The Drs. A., F. & S. will examine your case, and will then frankly tell you whether or not it is curable. If it is, they will give you the benefit of their skill and knowledge; if it is not, they will frankly tell you so. Do not imagine that because you former physicians have given up your case or failed to cure you, that you are necessarily beyond the reach of human help. Can be consulted at Sweet's hotel Friday Saturday and Sunday, March 13, 19 and 20.

BACK AND SIDEACHE.

Just What to Do to Cure Them.

The most annoying pain is backache. The next most uncomfortable condition is sideache. Nothing makes a person feel so weak, nervous, miserable and dragged out as a mere or less constant weakness or pain in the back or side. And it is not infrequently necessary to suffer from it, too, for Dr. Green's Nervine, which you can get at drug stores, will cure it, perfectly and completely. This remarkable nerve medicine and cure of pain is purely vegetable and harmless, and it is about 4 for people to suffer from headache, neuralgia, pain in back, side, limbs, malaria, etc., when a cure is certain by using this great discovery for the nerves. Dr. Green's Nervine is the best spring medicine, and should be used now, as all these troubles are worse from spring debility.

OH! MY BACK!

The remedy is Dr. Green's Nervine, and I have been perfectly and completely cured by this wonderful medicine." JAMES BOWEN.
